

The address of the new office is 3847 Teays Valley Road, Suite B.

If using GPS, it will probably work better if you search for 3845 Teays Valley Road because 3847 is actually behind 3845.

The driveway into the parking lot is located directly across from the KO Car Wash and just next to the State Farm (see image).

Once you turn into the driveway, the 3847 building is on the right (see image).
